- 8.3 Before an appointment is made by the Board, the Nomination Committee will evaluate the balance of skills, knowledge, independence and experience on the Board, and, in light of this evaluation prepare a description of the role and capabilities required for a particular appointment (including, for the appointment of a chairman of the Board, an assessment of the time commitment expected, recognising the need for availability in the event of crises – a proposed Chairman’s other significant commitments should be disclosed to the Board before appointment and any changes to the Chairman’s commitments should be reported to the Board as they arise).
- 8.4 In identifying suitable candidates, the Nomination Committee shall:
 - (A) use open advertising or the services of external advisers to facilitate the search;
 - (B) consider candidates from a wide range of backgrounds; and

 - (D) the re-appointment of any non-executive director at the conclusion of their specified term of office having given due regard to their performance and ability to continue to contribute to the board in the light of the knowledge, skills and experience required;
 - (E) the re-election by shareholders of any director under the annual re-election provisions of the Code having due regard to their performance and ability to continue to contribute to the board in the light of the knowledge, skills and experience required and the need for progressive refreshing of the Board (particularly in relation to directors being re-elected for a term beyond six years);
 - (F) any matters relating to the continuation in office of any director at any time; and
 - (G) the appointment of any director to executive or other office.

- 9.2 The Nomination Committee shall make whatever recommendation to the Board it deems appropriate on any area within its remit where action or improvement is needed. Any recommendation of the Nomination Committee shall take effect only if approved by the Board.

- 9.3 The Nomination Committee shall produce a report to be included in the Company's annual report and accounts about its activities, the process used to make appointments and an explanation as to whether external advice or open advertising has not been used. Where an external search agency has been used, it shall be identified in the annual report and a statement made as to whether it has any connection with the Company.
- 9.4 The report referred to in 9.3 above should include a statement of the Board's policy on diversity, including gender, any measurable objectives that it has set for implementing the policy, and progress on achieving the objectives.
